## WELCOME TO

## AKSARBEN ACRES

We take great pleasure in welcoming all of our old customers and friends to our "Something for Everybody" sale, and this is to extend an invitation to all that have not been to Aksarben Acres, to come on the 23rd of October and get acquainted. "Something for Everybody" is the theme and that is what we will have. Bulls that can head the best herds, commercial bulls for the rancher. Heifers that are show heifers and the good useful kind. Our cows will not be fitted, just in good breeding shape.

We will have fifty 750 lb. steers that are the best of quality, fifty bred and open commercial heifers and a number of 4-H club prospects.

Be with us on Saturday, October 23rd. Stay with us for our evening's hog sale and enjoy our free Yorkshire ham dinner served before the hog sale at 7:30 P. M.

## A "SOMETHING FOR EVERYBODY" SALE

Ed Pulliam and Dan McCubbin of Aksarben Acres, have planned a big day for Saturday, October 23rd. A day that will be of interest to good stockmen, both young and old that are especially interested in either top quality registered or commercial Shorthorns and in the best of Yorkshire hogs.

This pair of young fellows have always been quality conscious and there will be cattle and hogs in this sale that will suit those who are seeking nothing but the best. A lot of the cattle haven't been highly fitted, so I can assure prospective buyers that they will be able to make selections in this sale at prices they can afford to pay. One of the thoughts back of this whole idea was to bring out not only quality, but numbers so they could be sold at "live and let live" prices.

Featured of course will be the Get and services of the noted CB Gold Max 4th. The young red junior yearling bull Will-A-Dell Selector, by Sandoon Dividend has the ruggedness, type and quality to please top breeders. There will be 19 cows with calves at foot, 24 bred cows and heifers and 6 open heifers in the registered cattle division. An outstanding set of high quality commercial cattle have also been assembled and I want to call your attention to the fact that these will start to sell at 10:00 A.M., with an outstanding set of steer and heifer calves suitable for 4-H Club and FFA projects selling first.

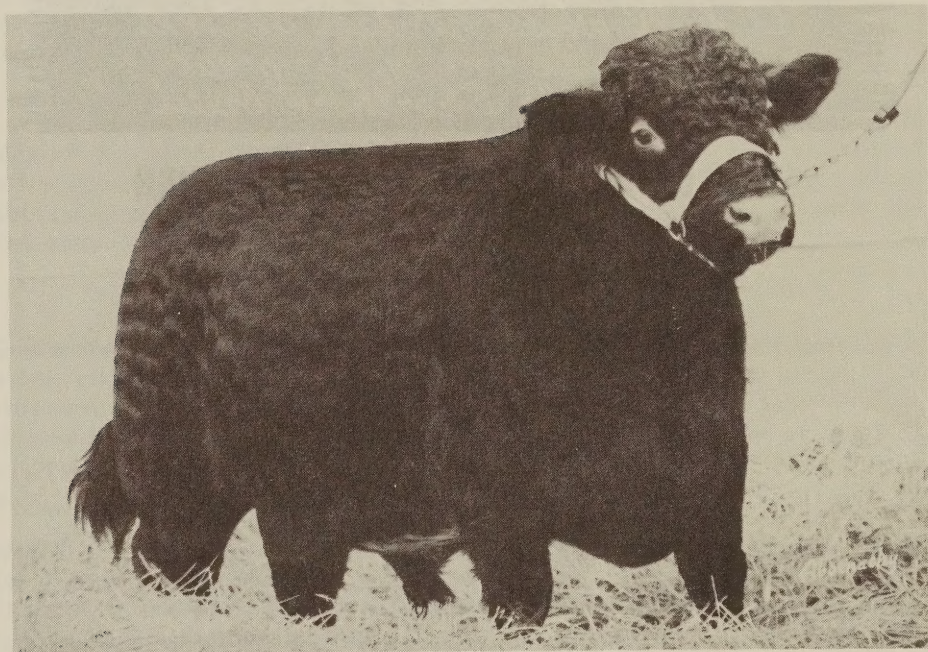

Remember too, that the entire 1954 Aksarben Acres show herd has been listed in this sale. They offer proof that Aksarben Acres Shorthorns have the bred-in fast-gaining qualities so important to profitable beef cattle production. We will be looking forward to seeing a lot of our friends at Aksarben Acres on October 23rd.
